Welcome to Ayrshire Wedding DJ. We have over 30 years' experience in the musical entertainment industry and our sole focus is on wedding events and ceremonies. We strive to deliver a unique package, which satisfies all of your requirements on what will be one of the most important days in your entire life! Planning, communication, music selection, presentation, sound equipment, lighting and staging are just some of the key components to consider on your big day. We have a plethora of 5-star reviews and have performed at 100's of ceremonies & events over the years.

We work throughout Ayrshire & Scotland. Venues include: Lochside House Hotel (Cumnock), Carlton Hotel (Prestwick), Brig O Doon (Alloway), Rowallan Castle (Kilmarnock), Dean Castle (Kilmarnock), Riverside Lodge Hotel (Irvine), Waterside Hotel (West Kilbride), Citation (Glasgow), Broadcroft Hotel (Glasgow), Kings Park Hotel (Glasgow), Stirling Court Hotel (Stirling), Eglinton Arms Hotel (Eaglesham), Sorn Castle (Mauchline), Fox & Willow (Ayr), Kylestrome Hotel (Ayr), The Urbanist (Kilmarnock), Horizon Hotel (Ayr), Castle Rooms (Uddingston) plus many more venues.

We will help you plan and curate the music for your wedding ceremony. We have access to 1000's of tracks ensuring we can respond to on the day requests or personal playlists provided beforehand. Some of our clients prefer to be fully hands on with a specific choice of music and running order, and others are happy to leave the entire music selection in our capable hands.

Our fees vary for each wedding ceremony; no wedding is ever the same. Variables influencing cost include: performance time, venue location, weekdays or weekends, room size and room access set up times. Basic wedding & ceremony packages with short run-times start from **£450** and can rise in cost depending on the factors mentioned. Once we have all of your wedding information, we carry out a venue assessment and provide a fixed cost for our services. We require a 50% deposit to secure your wedding booking with the final balance paid a few days before the event. Additionally, we offer performance extras such as a live singer or saxophonist who usually perform for an hour at a cost of £350 each. Furthermore, as an additional paid extra, we can record the soundtrack for your ceremony and present to you as a gift packaged USB to relive the event.

All of our sound and lighting equipment is new or nearly new and regularly maintained. All electrical units and cables are PAT tested and we have full public liability and insurance cover up to five million pounds.
