CUSTOMER SATISFACTION

Jessica Domicic - Rowallan Castle Wedding ★★★★★

Kris was the DJ for our wedding at Rowallan Castle. He was amazing to work with and kept the party going. He took some song suggestions from us but also played off the energy of all the guests with a medley of new and old, and everyone loved it! Dave T was also amazing on the saxophone! Highly recommend them both!

Annemarie McCormack - Castle Rooms Wedding ★★★★★

Kris's professionalism from first contact to our wedding was nothing short of perfect. He also arranged our saxophone player. Our dancefloor was full for the full 6 hours and that was down to the excellent variation and expert programming of the music. 100% recommend.!
